ALGER COUNTY

The **Alger County Animal Shelter** serves 10,000 people. In **2021**, it reported a placement rate of 100% of dogs and 99% of cats

In 2022, ACAS took in over 150 animals and adopted them into their forever homes and reunited lost pets with their families. In just the last few months, the Shelter adopted over 30 animals into great homes. Our Adoption Committee takes immense care in matching up potential pet owners with the animals and their unique personalities.

The Shelter provides many services to our community working with police agencies taking in lost pets or working with the community itself in finding a lost pet and reuniting them with their family.

The Shelter is completely sustainable on donations and we thank our community, near and far, for the wonderful support in saving lives and getting these animals into terrific homes.

The Shelter has reached over 80,000 Facebook supporters and thousands of donors inside and outside of our community. These supporters donate, adopt, and spread the word of our animals available for adoption. The Shelter also has a web site www.algercountyanimalshelter.com, is on Petfinder and has an Instagram account.

Working with the youth in our community, we provide training on the proper handling of the animals, proper care and Socialization.

This made possible through a grant from the Senior Citizens Center (via ARCF) and local donations.

The youth reading program has been found to be such a soothing and comforting experience for the animals and youth volunteers
